This bright and open 2 bedroom water front cottage comes with most contents including washer/dryer making it move in ready.

There are lots of closets for storage and plentiful cupboards in the kitchen area. The kitchen/living room has vaulted pine ceilings, with patio doors leading onto a wrap around tiered deck, with a removable awning. Off the deck is a large screened in gazebo with electricity for more outdoor living space, all of which overlooks the water just steps away. There is a propane stove in the living room keeping the cottage toasty warm in the shoulder season and cooler evenings. The flooring is mainly hardwood and pine. The following updates have been done - 6 windows replaced (2008), roof shingles (including tar paper & ice shield), skylight in bedroom (2009).

Enjoy the sunsets over the water while you stroll the beach or simply enjoying the view from your deck. All this is only a short minutes drive to Charlottetown. Listing Agent is owner of the property. (id:4656)
