Spectacular waterfront cottage with extra large waterfront lot. This is a very homey cottage both in appearance and comfort. It faces south and enjoys both the daylight sun and the clear starry sky at night, as well as the sound of waves breaking gently outside your front door. This cottage was built to maximize the view as well as the peaceful dining experience while you entertain your neighbors and friends. Three bedrooms give you lots of room for family or guests and a stroll on the walk down beach plus a view of the confederation bridge makes this a spot you must visit and possibly stay. (id:4656)
